

UPCOMING Scheduling and Updates

- **Summer final reports**
 - ✓ Due before you leave – for most of you that means *due August 3*
- **Summer final presentations**
 - ✓ Sent titles to Dr. Muller, presentations Friday, August 3, 2-4pm
- **Please update Wiki!**
 - ✓ In particular, CODA logbook has not been updated in a long time and there have been data runs...

UPCOMING Scheduling and Updates

- **Aerogel sample analysis**

- ✓ Optical properties due to type of scattering?
 - ✓ *Raleigh (blue-ish), Mie (yellow-ish)...*
 - ✓ *But see effect in randomly selected tiles*
- ✓ Heating seems to restore transparency of aerogel
 - ✓ *Known effect, see, e.g., Henning, Svensson Physica Scripta, Vol 23, 697 (1981)*
 - ✓ *Interesting: is the “coating” really effective?*

- **Additional coating analyses**

- ✓ Raman analysis
