

UPCOMING Scheduling and Updates

- **My schedule**
 - ✓ Next two weeks mostly at CUA
- **Summer abstracts due this Friday, June 29**
 - ✓ Let me know if you need examples, guidance, etc.
- **Hall C summer workshop**
 - ✓ Nathaniel and Marco presented status of aerogel project and design studies for a future pi0 detection facility
 - ✓ Nice talks, lots of good comments and feedback
- **PAC39**
 - ✓ Presentation went well, but unfortunately we got “un-approved”

NP Group Meeting 27 June 2012

Afternoon trivia: which teams play in the semi-finals?

Predictions: who will make it to the finals?!

UPCOMING JLAB TRIPS

- **JLab trip for PMT testing: July 9-13**
 - ✓ Other tests/measurements? – e.g., with 2” PMTs, prototype etc.
 - ✓ Apparent room shortage – check out the listings...
- **GEANT4 Workshop: July 9-13**
 - ✓ Participants: Marco, Ibrahim (our postdoc)
- **Next possible dates for trips to JLab: July 24-26**
 - ✓ Detector assembly?
 - ✓ Tests/measurements you may want to do there?

UPCOMING Conferences and Due Dates

- **APS/DNP meeting abstracts *due August 1***
 - ✓ Abstracts for oral presentations *due earlier (2 July, next Monday)*
- **Time Sheets are Due this Friday – give them to me around lunch time**
