### Coincidence Runs

| Date   | Run Number | Time (Min) | High Voltage (V) | Count | Count/Min |
|--------|------------|------------|------------------|-------|-----------|
| 26-Jun | 1          | 20         | 2131             | 356   | 17.8      |
|        | 2          | 20         | 2002             | 112   | 5.6       |
|        | 3          | 20         | 1877             | 36    | 1.8       |
|        | 4          | 20         | 1770             | 12    | 0.6       |
| 27-Jun | 5          | 20         | 2200             | 389   | 19.45     |
|        |            | 20         | 2150             | 301   | 15.05     |
|        | 6          | 20         | 2100             | 228   | 11.4      |
|        |            | 20         | 2050             | 135   | 6.75      |
|        | 7          | 20         | 2000             | 98    | 4.9       |
|        |            | 20         | 1950             | 47    | 2.35      |
|        | 8          | 20         | 1900             | 37    | 1.85      |
|        |            | 20         | 1850             | 20    | 1         |
|        | 9          | 20         | 1800             | 16    | 0.8       |
|        | 13         | 20         | 1750             | 15    | 0.75      |
|        | 10         | 20         | 1700             | 13    | 0.65      |
| 12     | 20         | 1650       | 7                | 0.35  |           |
| 11     | 20         | 1600       | 3                | 0.15  |           |
